

World Road Safety

The Role of *i*RAP and AusRAP

Thursday 21st October 2010

4:30 – 6:00 pm

VicRoads Theatrette

60 Denmark St, Kew

Mel. 45 C7

Light Refreshments will be provided.

Greg Smith, Regional Director, Asia Pacific, iRAP will give a general description of the current state of play in Road Safety internationally. Then he will explain how iRAP has been developed as a tool to identify high risk roads and how it is intended to be used.

Peter Daly, Chairman, AusRAP Technical Working Group, Australian Automobile Association, will then describe how AusRAP was developed to identify high risk roads for Australia and how it has been used so far.
