EMERGING TRANSPORT PROFESSIONAL AWARD

NOMINATION FORM

Name:
Email:
Telephone:
Date of birth:
Employer:

Please provide a brief summary of the nominee's attributes under each heading.

Demonstrated leadership/management/community empathy qualities significantly in advance of their peers

Outstanding technical ability which has contributed significantly to improved project/program outcomes

Shown innovative thinking which has resulted in projects/programs taking a different direction and achieving successful outcomes which they otherwise wouldn't have

Made significant and regular contributions - formally or informally - to their profession or to the professional development of their colleagues

Demonstrated superior professional ethics when faced with difficult decisions or when tackling adverse positions

The ability to bring people/communities/projects together in a way which creates total 'value' over and above the 'sum of the parts'

NOMINATOR/REFEREES

(Nominator to provide name and contact details or self-nominator to provide these details for at least one referee)
