The forum will bring together key figures who are leading the national agenda on Port Privatisation in Australia.

The focus of the forum will be to:

- Provide up to date information on public policy in relation to port privatisation as well as infrastructure and strategic planning agendas
- Provide opportunities for the stakeholders in the import/export supply chain industry, to improve their understanding of issues confronting access to ports
- Encourage government and industry dialogue
- Present the viewpoints of stakeholders who are affected by this issue
