Dear Ken:

When signing my letter of 30th August, I found that I had left two of the items at home and could not enclose copies as stated.

Anyway, I thought it best to get the letter off to get a weekend of travel, so this note is purely to enclose copies of:

- a) List of Executive Board Members
- b) List of Section Officers.

Best regards,

*J. Carlisle*  
J. S. Carlisle *per JB*
