Dear Ms. Bradley,

I have noted the various office bearers on the attached sheet as you asked in your letter of 8 April 1980. With respect to Directors we have one from each State or Territory. They are as follows:

New South Wales	:	P. Casey
Victoria	:	E. Barton
Queensland	:	C.H.V. Harding
South Australia	:	M. Young
Western Australia	:	P. Woodward
Tasmania	:	D. Coombs
Australian Capital Territory:	:	B. Daske

We will be conducting elections for new office bearers, to be effective from 1 January 1981, at an Annual Meeting to be held during the 1980 Conference of the Australian Road Research Board to be held in Sydney in August.

Due to the relatively small numbers in the Australian Section, it has been usual to hold office for two years.

I have enclosed a copy of a recent section Newsletter for your information.

Yours sincerely,

(S. Golding)
Secretary
